### **POSITIVE PROFIT ALERT FOR THE YEAR ENDING 31 DECEMBER 2015**

This announcement is made by the Board pursuant to Rule 13.09(2) of the Listing Rules and the Inside Information Provisions.

Based on the currently available information, the Board wishes to inform the Shareholders and prospective investors of the Company that the 2015 Net Profit is expected to increase significantly by 45% to 60%, when compared with the net profit for the year ended 31 December 2014 of HK\$1,363,680,000. The significant improvement in the profitability of the Group is principally due to (a) the reduction of cost of sales of the float glass business; (b) the continuous growth of the OEM and aftermarket automobile glass wholesale business with improvement in the gross profit margin; and (c) the increase in the profit contribution from Xinyi Solar.

The Board expects that the announcement of the audited consolidated results of the Group for the year ending 31 December 2015 will be published around early March 2016.
